Greetings brethren,

It is our privilege to host a general meeting of the Body of Christ at Humble Gospel Assembly. We are honored by the opportunity to serve God's people and would like to cordially invite you to join us **February 16 – 19, 2023**.

This year has been a difficult year for our assembly. We began 2022 narrowly escaping severe consequences from a tornado. Then we endured the sickness and eventual passing of our pastor, Bro. Gary Wright. But through it all, the Lord has kept His hand on us. Our Church is still encouraged to press on in the vision that God has given us to perfect our lives and help restore His Church. We recognize our need of the whole Body of Christ to complete the call of God to perfection & restoration. We are hosting this meeting to help further the unity of the Body and to seek together the will and direction of our Lord. Please come and help us in this holy endeavor.
