Dear Brethren,

We count it a privilege to host a Regional Meeting for the Body of Christ in Cisco, Texas on November 8-9, 2024. Our first service was held July 2001 in the old church building that Bro. Anderson built it in 1945, on 1000 Avenue A. We had wonderful services for 10 years at that location. We are thankful for the new location and for the many saints that came to help us build the new church on Hwy 6. We will always feel a special appreciation for Bro. White, Bro. Tubbe, and the Nacogdoches Assembly for their overwhelming labor of love.

We extend this invitation to you and your congregation. Musicians are welcome and encouraged to bring their instruments.
